

October 18, 2004

**LEAD / LEAD CONTAMINATION AND ASBESTOS EXCLUSION  
APPROVED FOR GARAGE PROGRAM  
IN MARYLAND AND PENNSYLVANIA**

**BACKGROUND**

MSO<sup>®</sup> announced in bulletin dated August 5, 2004 that it had received approval of a Lead / Lead Contamination and Asbestos Exclusion Endorsement (MCL 187) in the state of Delaware, applicable to the liability lines of business. We subsequently found that for the Garage program, the form and related rule had not been filed in Maryland and that the rule had not been filed in Pennsylvania.

**MSO ACTION**

Filings have now been made and approvals received in both states.

**EFFECTIVE  
DATE**

Immediately

**DISTRIBUTION**

Revisions to the Garage rules have been added to the CD-ROM and can be accessed through our website at: <http://www.msonet.com>.
