NEW EARTHQUAKE ENDORSEMENT INTRODUCED FOR COMMERCIAL FARM PROPERTY

- BACKGROUND** We developed a Commercial Farm Property earthquake coverage endorsement (MFP 119 10 07) to be used with the Commercial Farm Property form MFP 032.
- Endorsement MFP 119 provides equivalent coverage to the Commercial Property earthquake coverage endorsement MCP 119. However, because there are policy provisions that are unique to the MFP 032 policy form, the MCP 119 is not compatible with MFP 032. Thus, a new endorsement specific to the MFP 032 is needed.
- MSO® ACTION** We filed and received approval of endorsement MFP 119 and the related manual rule in Delaware, Pennsylvania and New Jersey. The filing is still pending in Maryland and New York.
- EFFECTIVE DATE** October 1, 2007 in Delaware, New Jersey and Pennsylvania.
- DISTRIBUTION** Endorsement MFP 119 and the revised manual pages will be added to the next CD-ROM. Affiliated companies may access the information on our website: www.msonet.com.
