WITHDRAWAL OF COMMERCIAL LIABILITY NOTICE MCL SN AS MANDATORY IN NEW JERSEY

- BACKGROUND** When MSO[®], Inc. first introduced the “simplified” General Liability program in 1989, there was some concern on the part of the New Jersey Department of Banking and Insurance that created the requirement to include MCL SN as mandatory. Later on, as other liability programs were introduced, this Special Notice was no longer a required. As there appears to be no specific regulation requiring this notice nor have we seen it as a mandatory notice in other bureaus’ manuals, we decided to withdraw MCL SN as mandatory.
- MSO ACTION** MSO has withdrawn MCL SN as mandatory, but will continue to make it available to our member companies as a Special Notice to use at their option.
- EFFECTIVE DATE** March 1, 2009 New Jersey only.
- DISTRIBUTION** The MSO New Jersey State Section of the Commercial Liability Manual has been updated to remove reference to MCL SN. This revised manual page will be added to the CD-ROM. Affiliated companies will be able to access this through our website: <http://www.msonet.com>.
