CLARIFICATION TO TATTOO SERVICES BOP ENDORSEMENT APPROVED IN PENNSYLVANIA

BACKGROUND	In reviewing the recently announced Businessowners endorsement BU 04 45 (01 14) • Coverage for Tattoo Services, it was determined that an update was needed to clarify that, although the main BOP policies exclude liability coverage for body piercing, the Coverage for Tattoo Services endorsement provides coverage for that specific operation.
MSO® ACTION	MSO has filed and received approval for the updated BU 04 45 endorsement. As the effective date for the previous version was March 1, 2014, and the update was filed and approved prior to that effective date, the endorsement edition date was not changed.
EFFECTIVE DATE	March 1, 2014 Currently approved in New Jersey.
DISTRIBUTION	The revised Tattoo Services endorsement will be added to CD-ROM. Affiliated companies will be able to access this through our website: http://www.msonet.com .
FUTURE MSO ACTION	We will announce the introduction of the program in other states as filings are approved.
COMPANY MODIFICATIONS	MSO is available to assist in modifying the new programs to meet individual company needs and to make any needed filings.
