PERSONAL LINES FORMS REVISION

BACKGROUND

The 1997 Personal Lines Program is approved for use in Delaware, Maryland, New Jersey and Pennsylvania. In the MPL 01 (Common Provisions Form) when the 1997 version was done, the format was changed slightly, which may have inadvertently changed the meaning of the motor vehicle exclusion. Only land vehicles not subject to motor vehicle registration that are designed to assist the handicapped or are used solely to service the residence premises are exempted from the exclusion. There is no coverage for vehicles used off premises.

MSO® ACTION

We filed corrections to the MPL 01 • Common Provisions Form. Under the Additional Insureds/Additional Interests (MPL 40) form, we corrected a reference error from Section II to Section I. An additional interest is a property concept (Section I), and not a liability concept (Section II).

EFFECTIVE DATE

April 15, 2003 in Delaware, Maryland and Pennsylvania.
May 1, 2003 in New Jersey.
