## **REVISED PERSONAL AND FARM UMBRELLA RULE INTRODUCED IN DELAWARE AND INDIANA**

- BACKGROUND** We added a manual rule definition for “non-standard auto risk”, which is an ineligible exposure, under the second bullet of Rule 1.3 in the personal umbrella rules and Rule 2.3 in the farm umbrella rules. The revised rule has been filed and approved in Delaware and Indiana.
- EFFECTIVE DATE** June 1, 2003.
- The revised rule was previously approved in Maryland (April 17, 2003 bulletin) and implemented in Pennsylvania (April 29, 2003 bulletin).
- DISTRIBUTION** The revised manual rules will be included in the next CD-ROM and manual page distribution. Affiliated companies may access the new pages through our website: <http://www.msonet.com>.
