## **NJ EXPORTABLE LIST REVISED**

### **BACKGROUND**

The Commissioner of Banking and Insurance issued Order A05-109 on March 3, 2005 revising the Department's Exportable List. The Order adopts the Hearing Officer's Report that included the recommendations from the public hearing held on December 20, 2004.

### **CHANGES**

The original cost new amount for physical damage coverages for private passenger and commercial vehicles is changed from \$40,000 to \$60,000 or more. Therefore, those vehicles with an original cost new between \$40,000 and \$60,000 are no longer on the exportable list, meaning they are no longer exempt from rate and form filing requirements.
