REVISED MPL 80 APPROVED IN NJ

BACKGROUND

We introduced the 06 05 edition of the MPL 80 as part of the 2005 version of the Personal Lines program in New Jersey. There are two items in the 06 05 edition that needed revising.

REVISIONS

We are increasing the per day loss of earnings from \$100 to \$250 to follow that in the personal lines policy form MPL 01. The other change is to correct the wording in the Endangerment or Harm exclusion. The 06 05 edition of MPL 80 was inadvertently typeset with an old version of the wording. We are returning the wording to the proper version which is a clearer statement of the intent of the provision.

MSO[®] ACTION

The updated version of MPL 80 with an 11 05 edition is now approved in New Jersey.

EFFECTIVE DATE

January 15, 2006

DISTRIBUTION

The revised endorsement will be added to the CD-ROM. Affiliated companies will be able to access it through our website: <http://www.msonet.com>.
