NJ REVISES WINDMAP REPORTING

BACKGROUND

The New Jersey Department of Banking and Insurance recently issued Order A06-122 which continues the quarterly Windmap reporting requirements (Windstorm Market Survey) for all insurers issuing “Homeowners insurance” policies.

CHANGES

Starting with the reporting due for the calendar quarter ending on December 31, 2006, insurers need to submit reports under a new format using the templates and instructions posted on the Department’s website at: <http://www.state.nj.us/dobi/ppareports.htm>.

Several zip codes are being eliminated from the coastal area definition as they are no longer valid zip codes or are assigned to commercial entities. These are: 07709; 07713; 07715; 08400; 08411; 08756; 08878.

DEFINITION

As respects the Windmap reporting requirements, “Homeowners insurance” is defined to include any Homeowners or Dwelling policy insuring a homeowner, tenant or condominium unit owner.

AVAILABILITY

Order A06-122 may be accessed on the Department’s website at http://www.state.nj.us/dobi/orders/a06_122a.pdf.
