COMMERCIAL LINES MANDATORY ENDORSEMENTS REVISED IN NJ, PA, DE AND MD

BACKGROUND	MSO® recently filed revisions to the state mandatory endorsements. These revisions were approved but no announcement was made as the revisions to the Commercial Lines policies were pending at that time and included building those same revisions directly into the policies. We have subsequently received approval for the Commercial Lines policy filings. The state mandatory endorsements were again revised to remove the material now included in the Commercial Lines policies. Except for a new edition date, the new state mandatory endorsements are the same as the previous versions.
