NEW JERSEY PROPOSES CHANGES TO AUTO PIP HOME CARE FEE SCHEDULE

BACKGROUND

New Jersey Statutes (N.J.S.A. 39:6A-4) require that the PIP medical fee schedules incorporate the reasonable and prevailing fees of 75% of the practitioners within a region. The current Home Care Fee Schedule has not been updated since 2003. The Department of Banking and Insurance (DOBI) is proposing to revise the schedule to reflect current reimbursement levels.
