NEW RESTAURANT BOP PROGRAM APPROVED IN OHIO

BACKGROUND

We have developed a new niche market Restaurant program. The new coverage endorsement (BU 04 20 09 09) provides many coverage enhancements designed to meet the needs of the Restaurant insured. The endorsement may be attached to either the BU 04 01 (all perils) or the BU 04 02 (named perils) BOP policy. Separate Decs Supplements (BU 04 21 09 09 and BU 04 24 09 09) provide the special limits. A three page manual supplement includes the rules and rates. The rules in the BOP Manual apply unless a different rule is in the supplement.

We have filed and received approval of the Restaurant program in Ohio. The New Jersey, New York, Pennsylvania, Delaware, Maryland, Rhode Island, Vermont, and Maine filings were previously approved. The filings are pending in Massachusetts and New Hampshire and will be filed in all of the MSO® states.
