REVISED COMMERCIAL TERRORISM ENDORSEMENTS APPROVED IN NEW YORK

BACKGROUND

The Terrorism Risk Insurance Program Reauthorization Act extends the Federal terrorism program through 2020, but with several changes. The significant changes include:

- Requiring the Secretary of the Treasury to certify acts of terrorism in consultation with the Secretary of Homeland Security.
- The program trigger has been amended to apply to certified acts with insured losses exceeding \$100,000,000 for calendar year 2015, \$120,000,000 for calendar year 2016, \$140,000,000 for calendar year 2017, \$160,000,000 for calendar year 2018, \$180,000,000 for calendar year 2019, and \$200,000,000 for calendar year 2020 and any calendar year thereafter.
- The percentage paid by the United States Government for certified terrorism losses exceeding the statutorily established deductible is currently 85%. This percentage will gradually decrease by 1% each year starting January 1, 2016 until reaching 80% on January 1, 2020.
