## **REVISED COMBINATION DWELLING TERRORISM ENDORSEMENTS APPROVED IN NEW YORK**

### **BACKGROUND**

The Terrorism Risk Insurance Program Reauthorization Act extends the Federal terrorism program through 2020, but with several changes. The significant changes include:

- Requiring the Secretary of the Treasury to certify acts of terrorism in consultation with the Secretary of Homeland Security.
- The program trigger has been amended to apply to certified acts with insured losses exceeding \$100,000,000 for calendar year 2015, \$120,000,000 for calendar year 2016, \$140,000,000 for calendar year 2017, \$160,000,000 for calendar year 2018, \$180,000,000 for calendar year 2019, and \$200,000,000 for calendar year 2020 and any calendar year thereafter.
- The percentage paid by the United States Government for certified terrorism losses exceeding the statutorily established deductible is currently 85%. This percentage will gradually decrease by 1% each year starting January 1, 2016 until reaching 80% on January 1, 2020.
